### **PROSPECTUS FOR THREE YEAR LL.B COURSE** **(For the academic session 2022-2023)**

#### **BACKGROUND IN BRIEF**

The Madhusudan Law University is an esteemed institution borrowing its name from the very famous Madhusudan Das. Madhusudan Das was the first graduate and first advocate of Odisha. Born on 28<sup>th</sup> April 1848, he went on to become a great national leader and a renowned politician. Because of his legendary contributions, he is addressed as Kulabruddha (whole Odisha being considered a *Kula* or a family, he is the greatest of all). His birthday is celebrated as Lawyer's Day in Odisha.

#### **ABOUT THE MADHUSUDAN LAW UNIVERSITY**

The Madhusudan Law University has been established on the birth anniversary of Madhusudan Das on 28<sup>th</sup> April 2021. The University started its official functioning on the same day, under the guidance and vision of the founding Vice-Chancellor Prof. (Dr.) Kamal Jeet Singh. From 28<sup>th</sup> April 2021, all government and private law colleges of Odisha, other than constituent law colleges of universities are affiliated with Madhusudan Law University, Cuttack. It offers Five Years Integrated B.A., LL.B. (Hons), LL. B, LL.M. and PhD courses approved by the Bar Council of India. Right now, the Madhusudan Law University is located near Cuttack Railway Station consisting of the Administrative and Academic Blocks. The expansion of the campus has been approved by the concerned authorities. We are looking forward to expand which includes Conference Hall, Health Centre, Gymnasium, Moot Court cum Seminar halls, Sports area, and Residential areas, Hostels and Auditorium. Government of Odisha has approved Campus plans and released funds for the construction of advanced infrastructure at the present campus as well as at Jobra. During the one year after its establishment, new buildings for library and administrative purposes have been added to the campus. The offices of the Vice-Chancellor, the Registrar, the Comptroller of Finances, and the Controller of Examinations have been shifted to the new building and have started their

function in full fledge. The new library is equipped with better facilities and a wide range of reading is available for ready access by the students, scholars, and faculties. Classrooms have been renovated for providing better and more advanced provisions. The University is steadily moving toward its required infrastructure.

## **THE VISION OF THE UNIVERSITY**

The vision enshrines building and establishing a university for the development and advancement of justice-oriented legal education. The purpose is to impart specialized and systematic teaching, training and research in a system of law and for the matters connected therewith or incidental therewith. We aim to impart legal education which not only helps in the development of an individual but also subsequently helps in the growth of the nation. The University aims to provide the students and scholars with an environment and education which is beyond the classrooms and train them as professionals where they will be valued for their specialized skills, knowledge and for their ability to interconnect, provide and find solutions and explore new dimensions in their respective areas. We aim to motivate the students of the Madhusudan Law University, first as responsible citizens and then as well-known jurists, academicians, lawyers, Judges, leaders, thinkers and politicians, who are not only sensitive about their own well-being but also about society and community at large and like **Jim Rohn** said-

*“The challenge of leadership is to,*

*Be strong, but not rude;*

*Be kind, but not weak*

*Be bold, but not bully*

*Be thoughtful, but not lazy;*

*Be humble, but not timid;*

*Be proud, but not arrogant;*

*Have humour, but without folly.”*

and to mould our students into such compassionate individuals. We believe in our students, their ideas, their interests and the potential that each of our students have to achieve their dreams. To accomplish this, we aim to nurture the overall thinking and provide a conducive environment to our students so as to give them freedom of expression which will help them develop a thirst for knowledge. To achieve this, we aim at establishing extra-curricular activities which will include inter-university/ college, national/ international moot court competitions, seminars, workshops, symposiums, internship opportunities, etc. This inquisitive mind-set will be helpful for them to achieve success in their lives.

We would like to quote **Napoleon Hill** here *“The way of success is the way of continuous pursuit of knowledge.”* This should become a stepping stone in every student’s life. We believe in the overall development of individuals so that they can become great professionals tomorrow. We would like to encourage our students in the words of **Jim Rohn** *“Don’t wish it was easier wish you were better. Don’t wish for fewer problems wish for more skills. Don’t wish for less challenge wish for more wisdom.”*

## **OUR ACHIEVEMENTS**

We had promised to make this institution a temple of learning for our students. With sincerity, honesty and focused efforts, we have achieved many things in this short span of time. The new buildings, changes in the administrative as well as in academics have added a feather to our cap. Madhusudan Law University, Cuttack is spreading its wings of achievement towards success in the global arena. Our students are our strength and our faculty members are the nation builders.

2.	80 and above but below 90	9	A+ (Excellent)
3.	70 and above but below 80	8	A (Very Good)
4.	60 and above but below 70	7	B+ (Good)

7.	Absent	0	ABS

- iv The Grade Point shall be calculated by multiplying the grade value obtained by the candidate and the credits of that paper.

- vi The Cumulative Grade Point Average (CGPA) of the candidate shall be calculated as the sum total of the grade points secured in till date divided by total credit of the course till date.
